PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 11/02/2020.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

4

Special Condition #5: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: It is alleged that Mr. Sullivan violated special condition number 5 by failing to abstain from the use of illegal controlled substances on or about January 14, 2021.

On October 8, 2020, Mr. Sullivan enrolled in outpatient services with New Horizon Care Centers and is required to submit urine samples on a random basis. On February 2, 2021, the undersigned officer received a progress report regarding Mr. Sullivan's status. The progress report furnished by his counselor noted he is in noncompliant status. Specifically, on January 14, 2021, Mr. Sullivan provided a sample which tested positive for methamphetamine. When the counselor addressed this positive sample with him, Mr. Sullivan attributed his use of methamphetamine to a process addiction.
